Detailed Comments:

Pipes all very together. E's a little ragged @ start. Watch when merging.

Strong full, warm drone sound. A tone blanket. Cozy.

Tones controlled. Poised. Confidently presented.

Strong unison. Balanced harmony. A few quick cutouts. Volume up.

Pied unison. Low G, some not carrying the lead. Tonal issues.

Drone P/M left drifted.

Bottom hand exercises not always together.

Overall, a strong presentation of the march set. Tonally strong and confidently played. Some small issues 3rd tune. Technique related w/ tonal imbalances. But pretty solid unison. Well played.

Detailed Comments:

Howling tenors, extra notes than Eir.
Rolls good!
Harmonies behind to start
Great poise from all, holding tempo well.
Pipes & midsection not always together w/ dead
beat @ end of phrases Kilworth, but
accents adding interest.
Effective scoring + arrangement of 2nd march
Harmonies well-composed.
In finding the snare sound a tad dull/flat.
Great release into Killiecrankie. Enjoying the bass.
Well-set pipes, but some squeaks.
A little muddiness at back end.
Pipes rushing measure 2, p2, of Rindlater.
Good, full sound from snares, good dynamics.
Nice cut-offs

Detailed Comments:

GOOD ROLL SET EVEN TEMPO INTO THE TUNE
NICE DYNAMIC EFFECT 2ND PART 1ST TUNE
CONTROLLED CONFIDENT BASSET PLAYING
BAT SET WELL
SNARES A LITTLE ON THE FLAT SIDE
NICE CONTROLLED BAR 2 IN 3RD TUNE
TENSORS WELL VOICED ADDING JUST ENOUGH
WITHOUT OVER DOING IT
LAST 2 BARS HAD UNISON ISSUES
MIGHT HELP IF BARS TURNED TOWARDS THE
P/M WITH VISUALS & RIGHTS HANDS SOUND
SNARES UNISON WAS GOOD OVERALL BUT DRY
SOUND COULD BE BETTER PLAYED WITH
GOOD DYNAMIC EFFECT COMING THROUGH GOOD CONTROL
